TOPICS for evaluation 2017

2017 PORTFOLIO (Hand in November)

This is a variation on the usual "Print of the Year". In each of the print and edi sections, members can submit ONE portfolio of five (5) images, with a common thread that ties them together. This encourages members to explore a topic (of their choice) from various perspectives. The quality of each image, the handling of the overall theme and the presentation will be evaluated. Images submitted in the portfolio **may** have been submitted in monthly

evaluations during the year They may also be re-worked in light of the constructive comments they received. The topic of a member's print portfolio may vary from the topic of the edi portfolio.

Further discussion and sharing of ideas will happen during 2017. Gather your questions for these discussion sessions.

ELECTRONIC DIGITAL IMAGES – NAMING PROTOCOL & SIZE

1. **Title** first (so entries sort by alphabet)
2. Your A.S.P.I. **Number**, **Topic/Month**, & **Year** This also helps Print Steward to read your sticks
3. Use an **underscore** between each of these sections (e.g. **Title_216_Seasons_Aug16**).
4. **1920 x 1200** pixels (width x height)
5. Max data **2 MB** (megabyte) (In accordance with VAPS stipulations)
6. Please use your **ASPI Number** on all of your entries both EDPI & Prints!

PRINTS:

The mount size for PRINT entries is 20" x 16" or 50.8 x 40.6 cms. For use in newsletters and other purposes it would be appreciated if an EDPI of your print could be sent in also, but please label it as follows for Mark's ease of sorting:-
